Program Details	Days of the Week Care is Provided:	Hours of Operation (optional):
☐ Animals/Pets on site ☐ Transportation Provided	☐ Monday ☐ Tuesday ☐ Wednesday ☐ Thursday ☐ Friday ☐ Saturday ☐ Sunday	

The Provider (and any substitute provider) is responsible for knowing and following all the rules applicable to their child care license anytime child care children are present, including all rules not directly referenced in this document and/or not reviewed during this visit. Parental request or permission to waive any of the rules for the registration of child care programs does not give the provider permission to do so.

Table A

Age of Children	Minimum number of Caregivers to Children	Max. number of Children in a Group
Birth through 23 Months	1:4	8
24 Months of Age through 35 Months	1:5	10
36 Months of Age to Attending Kindergarten	1:10	20
Attending Kindergarten and Older	1:15	30

CHILDREN IN CARE	
0025(15) A center-based child care facility may not exceed the ratios and group sizes in Table A.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(16) In a mixed-age group of children, the number of caregivers and group size shall be determined by the age of the youngest child in the group.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(17) 414-180-0025(15) and 414-180-0025(16) apply to center-based child care defined as a child care facility located in a building constructed as other than a single-family dwelling	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**

SAMPLE

CHECKLIST ITEM	VISIT RESULTS
Supervision	
0025(14) The provider is responsible for the children in care. At all times the provider must: (a) Be within sight or sound of all children; (b) Be aware of what each child is doing; (c) Be near enough to children to respond when needed.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Program and Care of Children	
0040(2) Child care children shall not be exposed to more than two hours of screen time per day. All media exposure must be developmentally and age appropriate. Screen time is defined as time spent using a device such as a computer, television, or games console.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Meals and Snacks	
0035(1) Meals and snacks must be based on the guidelines of the USDA Child and Adult Care Food Program.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0035(2) Foods must be stored and maintained at the proper temperature.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(19) Children of any age shall not be laid down with a bottle.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
0020(9) The child care facility has safe drinking water	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
Infant and Toddler Care	
0015(18) Children who cannot feed themselves shall be held or, if able to sit alone, fed in an upright position. (a) Infants up to 6 months of age shall be held or sitting up in a caregiver's lap for bottle feeding. (b) Bottles shall never be propped. The child or a caregiver shall hold the bottle; infants must be held or sitting up for bottle feeding. Propping of bottles is prohibited.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Infant Safe Sleep **0015(15) The following safe sleep practices must be followed:**	
(a) Each infant shall sleep in a crib, portable crib, bassinet or playpen with a clean, non-absorbent mattress. All cribs, portable cribs, bassinets and playpens must comply with current Consumer Product Safety Commission (CPSC) standards.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(15)(c) Each mattress shall: (A) Fit snugly. (B) Be covered by a tightly fitting sheet. (d) A clean sheet shall be provided for each child.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(15)(e) Infants must be placed on their backs on a flat surface for sleeping.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(15)(f) While on the child care premises, if an infant falls asleep in a place other than their crib, portable crib, bassinet or playpen, the provider must immediately move the infant to an appropriate sleep surface.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(15)(g) No child shall be routinely left in a crib, portable crib, bassinet or playpen except for sleep or rest.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**

SAMPLE

CHECKLIST ITEM	VISIT RESULTS
0015(15)(h) There shall be no items in the crib, portable crib, bassinet or playpen with the infant, except a pacifier (e.g. no bottles, toys, pillows, stuffed animals, blankets, bumpers).	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(15)(i) Swaddling or other clothing or covering that restricts the child's movement is prohibited.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
0015(15)(j) Clothing or items that could pose a strangulation hazard (e.g. teething necklaces, pacifier attachments, clothing drawstrings) are prohibited.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(15)(k) Car seats are to be used for transportation only. Children who are asleep in a car seat must be removed upon arrival to the child care facility and placed in an appropriate sleep surface.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Handwashing	
0020(2)(a-i) All caregivers and children must wash their hands with soap and warm, running water: Before handling food; before assisting with feeding; before and after eating; after diapering; after using the toilet; after assisting someone with toileting; after nose wiping; after playing outside; and after touching an animal or handling pet toys.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0020(3) Hand sanitizers shall not replace hand washing. If hand sanitizers are present in the child care facility, they shall be kept out of children's reach and shall not be used on children.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Sanitation	
0020(4) Clean toys, equipment and furniture used by children when soiled.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0020(7) All garbage, solid waste, and refuse must be disposed of regularly, in a safe and sanitary manner	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0020(5) Diaper changing surfaces must be either: (a) Non-absorbent and easily disinfected. (b) Disposed of after each use. (c) Laundered after each use.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Indoor Space	
0025(1) The room temperature must be at least 68°F during the hours which child care children are in care.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(2) Rooms child care children are predominantly occupying must have a combination of natural and artificial lighting.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(4) There must be at least one flush toilet and one hand-washing sink available to children. Drinking water for preparing food, infant formula, drinking or cooking shall not be obtained from hand-washing sinks	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(12)(a) Each floor level used by a child has two useable exits to the outdoors (a sliding door or window that can be used to evacuate a child is considered a useable exit). If a second floor is used for child care, the provider must have a written plan for evacuating occupants in the event of an emergency.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
Safety and Hazards	
Children shall be protected from fire and safety hazards. Providers must have the following protections in place: 0025(3) Floors must be free of splinters, large, unsealed cracks, sliding rugs and other hazards	☐ **In Compliance** ☐ **Not In Compliance**

SAMPLE

CHECKLIST ITEM	VISIT RESULTS
0025(5)(a) All exposed electrical outlets in rooms used by preschool or younger children must have hard-to-remove protective caps or safety devices installed when the outlet is not in use.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
0025(5)(f) A stable barrier shall be installed to prevent children from falling into hazards, including, but not limited to: fireplaces, heaters and woodstoves that are in use when child care children are present.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(5)(g) A secure barrier shall be placed at the top and/or bottom of all stairways accessible to infants and toddlers	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(6) The child care facility has a working smoke detector on each floor level and in any area where a child naps.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(9) Firearms, BB guns, pellet guns and ammunition kept under lock, with ammunition stored and locked separately. Firearms, BB guns and pellet guns must remain unloaded.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(7) Cleaning supplies, paints, matches, lighters, and any plastic bags large enough to fit over a child's head kept under child-safety lock	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(8) Other potentially dangerous items, such as medicine, drugs, sharp knives and poisonous and toxic materials kept under child-safety lock.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(11) All clear glass panels in doors clearly marked at child level.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(12)(b) The child care facility has a working telephone or telephone service in operating condition.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(12)(d) The building, grounds, water supply, and toys, equipment and furniture used by children must be maintained in a hazard-free condition. 0020(8) Bio-contaminants including but not limited to bodily fluids and blood shall be disposed of in a manner that prevents exposure to children.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(12)(e) Broken toys, furniture and equipment must be removed from areas accessible to children.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(10) If any preschool age or younger children are in care, poisonous plants must be kept out of the reach of children.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
First Aid and Medication	
0015(20) First aid supplies and a chart or handbook of first aid instructions shall be maintained in one identified place and kept out of reach of children. 0015(21) The first aid supplies shall include: band aids, adhesive tape, sterile gauze pads, soap or sealed antiseptic towelettes or solution to be used as a wound cleaning agent, a solution for disinfecting after a blood spill, a sanitary temperature taking device.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(42) Prescription and non-prescription medications must be properly labeled and stored. 0015(43) Non-prescription medications or topical substances must be labeled with the child's name. 0015(44) Prescription medications must be in the original container and labeled with the child's name, the name of the drug, dosage, directions for administering, and the physician's name. 0015(45) Medication requiring refrigeration must be kept in a separate, tightly covered container, marked "medication," in the refrigerator.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**

SAMPLE

CHECKLIST ITEM	VISIT RESULTS
0015(47) Sunscreen may be used with written parental authorization under the following conditions: (a) Providers must reapply sunscreen every two hours while the child care children are exposed to the sun. (b) Providers shall use a sunscreen with an SPF of 15 or higher and must be labeled as "Broad Spectrum." (d) Sunscreen shall not be used on child care children younger than six months.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(41) Prescription and non-prescription medication shall only be given to a child if the provider has written authorization from the parent	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(46) Parents must be informed daily of any medications given to their child or any injuries their child has had.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
Animals	☐ **N/A for all**
0015(36) Any animal at the child care facility shall be in good health and be a friendly companion for the children in care.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
0015(37) Dogs and cats must be vaccinated according to a licensed veterinarian's recommendations. [*Review dog rabies vaccination records*]	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0015(39) Animal litter boxes shall not be located in areas accessible to children or areas used for food storage or preparation.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**
0015(40) Exotic animals, including, but not limited to: reptiles (e.g. lizards, turtles, snakes) amphibians, monkeys, hook-beaked birds, baby chicks and ferrets are prohibited unless they are housed in and remain in a tank or other container which precludes any direct contact by children. Educational programs that include prohibited animals and are run by zoos, museums and other professional animal handlers are permitted	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed** ☐ **N/A**

SAMPLE

CHECKLIST ITEM	VISIT RESULTS
Required Postings and Readily Available Documents	
0025(12)(c) Emergency telephone numbers for fire, ambulance, police and poison control and the child care facility address must be posted in a visible location.	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(18) The provider must have a written plan for evacuating and removing children to a safe location in an emergency. The plan must be posted in the child care facility, familiar to the children and the caregivers, and practiced at least every other month and must include:	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(18)(a) Procedures for notifying parents or other adults responsible for the children, of the relocation and how children will be reunited with their families;	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(18)(b) Procedures to address the needs of individual children, including infants and toddlers, children with special needs and children with chronic medical conditions;	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**
0025(18)(c) An acceptable method to ensure that all children in attendance are accounted for;	☐ **In Compliance** ☐ **Not In Compliance** ☐ **Discussed**

CHECKLIST ITEM	VISIT RESULTS
0025(18)(e) Procedures in the event that children must shelter-in-place or if the child-care facility must be locked-down so that no one can enter or leave; and	☐ In Compliance ☐ Not In Compliance ☐ Discussed
0025(18)(f) Procedures for maintaining continuity of child care operations.	☐ In Compliance ☐ Not In Compliance ☐ Discussed
0015(6) Lead testing as required by 414-180-0015(5) shall be conducted within the past six years of the effective date of this section and no later than six months after the effective date of this section and at least once every six years. 0015(7) The test results shall be kept on the facility premises at all times and a copy provided to the CCLD within ten (10) days of receiving the results. **Date of lead test expiration:** _____	☐ In Compliance ☐ Not In Compliance ☐ Discussed
Recordkeeping- Children's Records	
0045(1) The following records, except those specified in OAR 414-180-0045(1)(e), must be kept by the provider for at least one year. These records shall be available at all times to CCLD: (a) Information from the parent(s) for each child at the time of admission: (A) Name and birth date of the child; (B) Any chronic health problem(s), including allergies, the child has; (C) Date child entered care; (D) Names, work and home telephone numbers and addresses, and the work hours of the parent(s) or legal guardian(s); (E) Name and telephone number of person(s) to contact in an emergency; (F) Name and telephone number of person(s) to whom the child may be released; (G) Health history of any problems that could affect the child's participation in child care.	☐ In Compliance ☐ Not In Compliance ☐ Discussed
0045(1)(b) Daily attendance records, including dates each child attended and arrival and departure times for each day. Times shall be recorded as the child care children arrive and depart.	☐ In Compliance ☐ Not In Compliance ☐ Discussed

CHECKLIST ITEM	VISIT RESULTS
Transportation (if applicable)	☐ N/A for all
0025(19) If a caregiver is transporting children, the caregiver must have a valid driver's license and proof of appropriate insurance	☐ In Compliance ☐ Not In Compliance ☐ Discussed ☐ N/A
0025(20) The number of children transported shall not exceed the number of seat belts or child safety systems available in the vehicle.	☐ In Compliance ☐ Not In Compliance ☐ Discussed ☐ N/A

Items to Discuss *A check mark indicates the item has been discussed with the program.*
☐ 0055(3) The provider must allow parents or legal guardians of child care children access to the child care facility during the hours their child or children are in care
☐ 0055(2) The provider or substitute must allow a representative from the Child Care Licensing Division access to the child care facility any time child care children are present
☐ 0025(21) The provider must take precautions to protect children from vehicular traffic. The provider shall: (a) Require drop off and pick up only at the curb or at an off-street location protected from traffic. (b) Assure that any adult who supervises drop-off and loading can see and assure that children are clear of the perimeter of all vehicles before any vehicle moves.

SAMPLE

Items to Discuss	*A check mark indicates the item has been discussed with the program.*
☐	0050(3)(c) Serious injuries to a child, as defined in OAR 414-180-0010(21), which require attention from a licensed health care professional, such as a physician, EMT or nurse, **must be reported to CCLD within 5 days**.
☐	0015(26-28) No person shall smoke or carry any lighted smoking instrument, including an e-cigarette or vaporizer in the child care facility or within ten feet of any entrance, exit, or window that opens or any ventilation intake that serves an enclosed area, during child care hours or when child care children are present. No person shall use smokeless tobacco in the child care facility during child care hours or when child care children are present. No person shall smoke, carry any lighted smoking instrument, including an e-cigarette, or vaporizer or use smokeless tobacco in motor vehicles while child care children are passengers.
☐	0015(29) & (30) No one shall consume alcohol on the child care facility premises during child care hours or when child care children are present. No one shall be under the influence of alcohol on the child care facility premises during child care hours or when child care children are present
☐	0015(31-35) No one shall possess, use or store illegal controlled substances on the child care facility premises. No one shall be under the influence of illegal controlled substances on the child care facility premises. No one shall grow or distribute marijuana on the premises of the child care facility. No adults shall use marijuana on the child care facility premises during child care hours or when child care children are present. Child care providers and any individual supervising, transporting, preparing meals, or otherwise working in the proximity of child care children and those completing daily attendance and billing records shall not be under the influence. "Under the influence" means observed abnormal behavior or impairments in mental or physical performance leading a reasonable person to believe the individual has used alcohol, any controlled substances (including lawfully prescribed and over-the- counter medications), marijuana (including medical marijuana), or inhalants that impairs their performance of essential job function or creates a direct threat to child care children or others. Examples of abnormal behaviors include, but are not limited to hallucinations, paranoia, or violent outbursts. Examples of impairments in physical or mental performance include, but are not limited to slurred speech as well as difficulty walking or performing job activities. All marijuana, marijuana derivatives and associated paraphernalia must be stored under child safety lock.
☐	0015(22)(b) A provider shall not admit or retain in care, except with the written approval of the local health office, a child who: (A) Is diagnosed as having or being a carrier of a child care restrictable disease, as defined in Oregon Health Authority administrative rule.
☐	0015(22)(c) A child who, after being admitted into child care, shows signs of illness, as defined in this rule, whenever possible will be separated from the other children, and the parent(s) notified and asked to remove the child from the child care facility as soon as possible.
☐	0015(22)(d) If a child has mild cold symptoms that do not impair his/her normal functioning, the child may remain in the child care facility and the parent(s) notified when they pick up their child.
☐	0015(23) Section 22 of this rule does not apply when the provider is caring only for children from the same family and no other unrelated child care children are present, except that the provider shall notify the parent if a child who, after being admitted into child care, shows signs of illness.
☐	0015(24) Parents must be notified if their child is exposed to an outbreak of a communicable disease.
☐	0025(13) Wading pools are prohibited for wading.
☐	0030(1) The following behaviors by caregivers are prohibited: Using any form of corporal punishment, including, but not limited to: hitting, spanking, slapping, beating, shaking, pinching or other measures that produce physical pain, or threatening to use any form of corporal punishment. 0030(2) Parental request or permission to use any form of behavior listed in subsection (a) of this section, does not give the provider or substitute provider permission to do so.
☐	0180(8)(a) You must notify ERDC if you become a certified foster parent
☐	0180(8)(m) You must inform the parent of the need to obtain immunizations for a child and have a completed, up-to-date Oregon shot record called the "Certificate of Immunization Status" (CIS) form on file for each child in care.

SAMPLE

Visit Summary

Comments:

This checklist covers selected rules from the **Rules for Regulated Subsidy Child Care** OAR 414-180-0005 through OAR 414-180-0090. Knowledge of and compliance with all of the rules within that document must be maintained at all times for child care homes. To view a full sample checklist, visit the Resource Library at www.oregon.gov/delc or request a copy from your licensing specialist.
